Princess Cruises operates 17 ships on a variety of itineraries worldwide. Princess Cruises was part of P&O Princess Cruises, which was acquired by Carnival Corporation in 2003. P&O Princess Cruises was previously spun off from P&O in 2000. Princess is a brand within the Carnival Corporation under the Holland America Line Group, offering contemporary and premium cruises. More new ships will follow in 2019, 2020, 2022, 2023 and 2025.

Note: Some operations are run out of Holland America Line Group in Seattle.
