Princess Cruises operates 15 ships on a variety of itineraries worldwide. Princess Cruises was part of P&O Princess Cruises, which was acquired by Carnival Corporation in 2003. P&O Princess Cruises was previously spun off from P&O in 2000. Princess is a brand within the Carnival Corporation under the Holland America Line Group, offering contemporary and premium cruises. More new ships will follow in 2020, 2021, 2023 and 2025. All Princess ships now offer the Ocean Medallion cruise experience with enhanced technology and connectivity.

Note: Some operations are run out of Holland America Line Group in Seattle (see separate listing)
